NOTIFICATION

Dear Students,

It has come to our notice that some students are experiencing technical issues while applying for the Original Diploma Certificate through the **Sewa Setu Portal**. During the application process, students may encounter issues such as:

1. The portal displaying "**Please Wait**" for an extended period.
2. Errors while uploading required documents.

These issues are likely due to temporary technical problems or heavy traffic on the portal and do not necessarily indicate any problem with your application or eligibility. Students are requested to remain patient while the concerned authorities work to resolve them.

Thank you for your understanding.
